# General Business

Welcome to our new principal, Kate Johnson, to our first P&C Meeting.

Forbes Small Schools Swimming Carnival tomorrow. School tent needs to be taken. Best of luck to all swimmers.

Bush Tucker Garden Grant: we have been approached by Caragabal School to use our funds to share a garden design/plan from Sally Bourne Landscape design. Hannah Troth to investigate and get back to us. Money can also be spent on bush tucker plants. Any ideas of a spot? Front entrance garden revamp? Enquiries have been made to find an Aboriginal elder to come and open garden/or talk about local bush tucker.

Stephanie Alexander Kitchen Garden: Would like to get a sign made with the logo. We have a bit of money there which can be spent on new seedlings etc, needs new landscaping, granite between beds perhaps? Fridays this year, volunteers always welcome.

McAlisters Clearing Sale: Date 11<sup>th</sup> Feb, Sarah, Catia, Tracy, Bron away. 9am start, discuss the plan at Forbes tomorrow. Anne and Dave to do most of organising/plan
