PRINCIPAL'S REPORT

- Thanks everyone for the warm welcome. This year Quandialla Public School has an enrolment of 18. The staff consist of Kate Johnson – teaching principal, Kathy Harvey – K-2 teacher, Marlene Millar - SLSO, Narelle Gault - SAM and Paul Harris – GA.
- The demountables have finally been removed and we are now looking at different options for the area left. Paul is looking to tidy it up and make a garden as well as a nice bus stop area. It was also suggested that we repaint the steam engine.
- We are attending the Caragabal swimming carnival to be held at the Quandialla Swimming Pool on Fri. 12th March.
- I will be attending a principal's Induction Conference from Feb 22-24. This will help me learn more about the management of the school.
