

PRINCIPAL'S REPORT Quandialla Parents and Citizens Association

31-5-16

Student activities:

- We had a very successful Forbes Small School Sports Day. Thank you to everyone who attended. The students had a good time and showed great sportsmanship. Emily, Monty and Savannah have made it to the District Athletics Carnival Parkes Public School on August 5.
- The students enjoyed the simultaneous reading day and we had a reasonably successful book fair.
- Next Thursday is the Henry Lawson Festival Recitation Day. The students have all been busy learning their poems, hopefully by the end of the week we will have a timetable for the day. Tom and Margaret Priestley have kindly offered to drive us into Grenfell. Once students have done their poems parents are quite welcome to take them home.

Staff:

- I have been quite busy the last few weeks with meetings. Last Thursday I attended a Network meeting with all the principals from the Lachlan area. The week before I went to a School Planning Day in Orange. Both these days were invaluable.
- Kathy attended a 2 day course last week for Jolly phonics which is our spelling program.

Resources:

- With the grant I received from Sporting Schools for Athletics I am planning to purchase some Athletics equipment such as shotputs, discus, a high jump mat and put new sand in the long jump pit.

Other:

- I got a quote from Kelly's in West Wyalong. For a 27 seater bus they have quoted \$1760. This bus will fit everyone on so I think we go for them. This is \$300 cheaper than Loader's.
