

## Principal's Report

### Week 11

Wow! The term has past already. It has been a bit of a whirlwind with swimming carnivals, meetings and general every day running of the school, but I'm enjoying it very much. Thanks to everyone for making me feel welcome in the school.

The Pedalling Pollies are visiting our school tomorrow – this will include Mr Tony Abbott. Mr Abbott is keen to visit our school and have a chat with the children. The Quandialla community is also invited to come along if they would like to say hello. The pedalling Pollies will have morning tea provided to them by their team. If you'd like to bring something along and have morning tea with the visitors and children you are most welcome. The riders are scheduled to arrive at 10am but may be held up depending on the weather. One of the many things Quandi kids are good at is looking good and it would be great if the children could wear their best school uniform including black shoes and white or grey socks.

Tomorrow afternoon we are holding our Parent/Teacher interviews, this is a great opportunity to talk about what your child is doing in class and discuss any concerns you may have. It's not too late to book, if tomorrow doesn't suit please make another time for an interview.

I'd like to thank Sarah Ryan, Kacie Cattle and Catia Nowlan for coming in for Kitchen/Garden – this program isn't possible without parent helpers.

A P&C meeting will be held on Thursday night at 7:30. Amongst other things we will be discussing the excursion. I was hoping to get a note out before the end of term about the excursion but this will go out at the start of next term.

This week we have Chris Kensey is filling in for Paul over the next couple of weeks while he is on a much deserved fishing holiday.

It's great to hear Mrs Dixon is making a good recovery after her Easter events.

Congratulations to Jessica Millar who is graduating on Thursday. Not too many tears Mrs Millar.
