

PRINCIPAL'S REPORT Quandialla Parents and Citizens Association

4/8/16

Student activities:

- The students planted native shrubs on Friday for Schools Tree Day.
- Tomorrow 5 students will travel with their parents to Parkes for the Lachlan PSSA Athletics Carnival.
- Education week will be celebrated next week with an assembly. The students and Paul will be cooking a camp oven for lunch. Family and friends are invited – please RSVP to the school.
- Years 3/4 are currently doing a project on Mongolia for the CWA competition.
- During August we have the Healthy Ears Program (15/8), Life Ed Van (24/8), and book week which includes a Book Fair (31/8).

Staff:

- I have been away Wednesday and Thursday this week for personal reasons.
- Maree Angus, the Lachlan area Director, will be visiting the school on 16/8/16.
- On Thursday 25/8 and Friday 26/8 I will be in Nyngan at a Lachlan Principal's Network meeting.

Resources:

- Paul has purchased the trees for the Bush Tucker Garden. He was given dirt from the council to help with the construction of the garden. Hopefully this will all start to take shape very soon.

Other:

- Wayne Symons, our school counsellor, will be visiting on August 18 and again September 1. This is a great resource to use for all sorts of reasons, whether it is something troubling your child at school or home. Parents are also welcome to speak to Wayne about issues concerning their children.
