# Snakes Alive!

Ellie, Sarah and Laura had a great time at the Canberra Reptile Park.

### Canberra Excursion

I have heard some very excited students giving details of their 'best memory' of the excursion and I have heard the Questacon mentioned the most, closely followed by the zoo and ice skating. Standing at the doorway to Julia Gillard's office also received a special mention. I think that the students were very privileged to be involved and I would like to thank all staff for providing this wonderful opportunity.

### **Australian Teachers' Recognition Day**

This day was officially last Friday; however, as most of our teachers were in Canberra on excursion, we postponed the morning tea recognition until yesterday. The executive thanked all staff for their hard work, interest, efforts and professional attitude throughout the year. Teachers are the backbone of any school and QCS is very fortunate to have such wonderful teachers!

### **Multicultural Speaking Day**

Congratulations to Sarah Penfold for making it through to the state final this Friday! We wish her all the best.

### **PBL Award Day**

The whole school will be involved in a PBL Award Day up at the Weddin Mountains this Wednesday. Could parents please ensure that their children leave home on Wednesday morning with all the requirements necessary for this special day?

### **Music Count Us In**

Don't forget to join with the school for the nationwide performance at **12.30** (arrive 12.15) this Thursday in the Assembly Room. If you would like to practice, just log onto the Music: Count Us In site and you will find the words and soundtrack - [www.musiccountusin.org.au](http://www.musiccountusin.org.au) (username and password is 'moremusic' and 'moremusic').

### **Principal Returns**

Mr Foster is due back this Thursday and I would like to take this opportunity to thank everyone who has assisted me in my role as Relieving Principal this term. I have enjoyed the position and have appreciated, even more fully, all the magnificent work that the staff at Quandialla Central School do on a daily basis.

Thank you and I hope you all have a good week,

Lisa Varjavandi  
Relieving Principal

## **ALL PARENTS PLEASE NOTE:** **STUDENT MEDICATION REQUIREMENTS**

All Medications for students are required to be labelled with student's name, dosage required, time to be given and if required to be sent home with their child.

Medications ARE NOT TO BE LEFT IN SCHOOL BAGS –  
Please note this is a Department requirement.

*Thank you*

# Canberra Excursion

24<sup>th</sup> to 26<sup>th</sup> October 2012

It was with great excitement that all the students of Quandialla Central School boarded the coach for three days in Canberra. The full program of activities did not disappoint. Accommodation was at the Canberra YHA in the City Centre.

The K/1/2 students, teachers and parents were dropped off at Gold Creek where they spent time in the morning exploring Cockington Green which is a display of meticulously crafted miniature buildings set within beautifully landscaped gardens and then the Canberra Reptile Sanctuary after lunch.

Years 3 to Years 12 headed straight to Parliament House. The group was fortunate to catch Tracey Robinson, Communications Advisor in the Department of Prime Minister and Cabinet, and ex-student of Quandialla Central School in the House. Tracey was able to give us an exclusive tour of the Prime Minister's office, lounge and court yard as well as the cabinet room which was being bomb scanned for the visit of the President of the Phillipines later that day. On this tour, and on the regular tour that followed, the Years 3 to 6 students had the opportunity to see many of the things that they studied in the unit on Government in Term 1 and it was pleasing to note their understanding.

Next on the itinerary was the Museum of Democracy at Old Parliament House. Students were engaged in an interactive activity on the history of democracy in Australia before touring the house. There was a role play in the Senate.

After lunch in the Rose Garden at Old Parliament House the group moved onto the War Memorial. Two hours was not long enough to see everything.

At 5.00pm it was time to check into the Canberra YHA. Students had to make their beds. (Zach thought this was child abuse). Before dinner the students walked to a nearby park for a play and a run.

Most of the primary students went swimming after dinner in the YHA pool. The spa and sauna were a lot of fun too.

After a big day most the students were exhausted and sound asleep by 9.00pm. Some of the younger students crashed earlier.

Breakfast the next morning was at 7.00am and after room inspections the group boarded the coach once more and set out for the Australian Institute of Sport. Students had 45 minutes in *Sportex* - an interactive sports exhibition. They could see how they measured up against elite athletes and world champions. They tried their hand at basketball, football, skeleton, rowing and other skill challenges. They also tried virtual downhill skiing and rock climbing. Our tour took in the pool, the gymnasium, the volleyball courts and the gymnastics hall. Cameras went crazy when basketballer, Lauren Jackson and swimmer, Alicia Coutts were spotted working out in the gym.

Mrs Dixon gave a tour of the embassies enroute to the Mint. Our guide at the Mint was very passionate about coins and gave lots of tips on coin collecting. Some coins were valued at over a million dollars. The most important thing about coin collecting is never, ever, clean a coin. This strips its value immediately.

Running ahead of schedule meant an early lunch and extra time at Questacon. Who couldn't fill in an additional half hour there? With eleven schools in the building the exhibitions were very busy. Highlights were the free fall slide in the Excite Exhibition and the Earthquake House, in the Awesome Earth Exhibition. Other exhibitions were Wonderworks, Mini Q, H2O and the Q Lab.

Back at the YHA there was a little well needed down time before dinner. It had been a big day for some of the younger students and few of the older ones who had talked a bit too much the night before. However, after dinner, and with new energy to burn, Year 3 and older students jumped on the coach once more and headed for the Ice Skating Rink at Phillip. What a blast! For some this was the highlight of the excursion. Emma and Rhys looked like they had been skating all their lives and attracted comments from the manager.

Back at the YHA while the students crashed we found ourselves above a very noisy night club. Unfortunately, this is one of the down sides of staying in the city.

On the Friday after packing up and clearing out of the YHA the first stop was the National Museum of Australia. Students designed their own 3D cities which was fun before viewing the revolving Circa theatre. The group saw some of the exhibitions, Landmarks, and The First Australians.

The National Zoo and Aquarium was our last main stop. Mrs Dixon led our group on a tour of the animals. The meerkats sat up perfectly for us and the penguins and otters did their thing to the delight of everyone. We caught the dingoes on their walk of the zoo and some of the children even patted them and survived. Lunch was had in a picnic shelter in the zoo.

Next, it was all on the coach for the trip home. We had a break at McDonalds at Yass and arrived at Quandialla at 6.00pm.

Our wonderful mums and dads, Mr Vonthien, Mr Amey, Mr Ryan, Ms Atkins, Mrs McAlister and Ms Kessey who came to support their young children in K/1/2 had survived and were a great support for the teachers.

By all accounts the students had a fabulous time and wherever we go next year ice skating has to be on the itinerary.

# 2012 Quandialla Preschool **Octoberfest** Thank you!!

## WEDDIN MOBILE PRESCHOOL SERVICE

On Saturday 20<sup>th</sup> October 2012 Quandialla Preschool hosted its annual fundraiser 'OCTOBERFEST' twilight fete. A terrific crowd of around 200 people gathered at Quandialla Memorial Hall to enjoy this event. There was a wonderful display of market stalls, entertainment for the kids, food, drinks, Art of Espresso coffee and music provided by Simon Nowlan. The weather was all we could have hoped for and from what I heard everyone seemed relaxed and to enjoy themselves. Thank you to everyone who helped to make this the most successful Octoberfest to date, raising a total of \$1821. This money will now be used to purchase much needed resources for our 'ever growing' number of preschool children, uniforms and books for each child at Christmas. A special thank you to the children's teacher Tracey McKellar, her daughter Kirsten and to Sally Metcalf for assisting on the night with the kids craft section and face painting. Thank you to all other stall holders who donated profits and businesses who donated goods for our lucky door, major raffle and chocolate wheel prizes. Thank you to everyone who helped on the night- always a big effort but well worth it!

## COWRA C.W.A. BRANCH \$4,000 MEDICAL EDUCATION GRANT

Cowra Branch of the Country Women's Association of NSW, South West Group, is looking for applicants for our Medical Educational Grant, to be taken up for 2013. This grant is open to those students who live in the South West Group area and are in their SECOND year or further, in any health-related tertiary studies.

Any student who desires to apply needs to obtain an Application Form from the Secretary of their local CWA Branch in the South West Group, Binalong, Boorowa, Canimbla, Cowra, Cowra Evening, Galong, Grenfell, Grenfell Evening, Harden, Milvale, Morongla, Quandialla and Young. Application forms are also available on our website: [www.cowracwa.com](http://www.cowracwa.com). Any queries may be directed to Cowra CWA Branch Secretary Josephine Cochrane 6345 3155 or Email: [theabbey@westnet.com.au](mailto:theabbey@westnet.com.au) or to Cowra CWA Branch PO Box 750 Cowra NSW 2794.

The Grant is for \$4,000 and applications close on 17<sup>th</sup> January, 2012, and must include the relevant documents. No late entries will be accepted.

The successful student will be notified by the first week in March.

Cowra Branch has been delighted with the response over the last few years and believes the ongoing grant will be beneficial to the students and the community.

## The Pool Is Opening and We're Going to Celebrate

This year, signing up for the season will be easy and be even more fun because we will be running an EnergyAustralia GO Swim Day right here at the pool that you train in!

There will be loads of cool stuff happening on the day; a Club BBQ, fun relays and some racing, even some surprise giveaways and competitions! The day is gearing up to be exciting.

Why not bring a friend to our sign up day so they can see just how much fun swimming can be? Sport is so much more exciting when you have your friends around to join in!

***Come along and join in with us, it's going to be a great day!***

<b><i>Where:</i></b>	<b><i>Quandialla Swimming Pool</i></b>
<b><i>When:</i></b>	<b><i>Saturday 3<sup>rd</sup> November 2012, 10.00 am to 2.00 pm</i></b>
<b><i>What to bring:</i></b>	<b><i>Swimmers, goggles, towel, shoes, supervision and of course a smile!</i></b>
<b><i>Cost:</i></b>	<b><i>FREE Entry to the pool</i></b>

If you have any questions about our club or the EnergyAustralia GO Swim Day, please Contact Martina on 0427431999 or [mdykhoff2@bigpond.com](mailto:mdykhoff2@bigpond.com)

We look forward to what should be a fun filled day! Hope to see you there.

## **COUNCIL NEWS 31/10/2012**

There were 27 registrations received for the 2012 Grenfell Open Day, although only 16 showed up on the day. Interest was high and we will now wait to see, how much the local real estate market is affected.

The Goldfest seems to be proving more popular than the previous Market Day. There was considerable interest in the displays including the mobile blacksmith, and the gun and artefacts exhibition by Steven Ryder and his crew attracted a large crowd all day. This exhibition would hold its own at any venue and Grenfell is lucky to have it locally available.

The Art Gallery had an especially good day with Hugh Moffitt reporting over 100 visitors on the day, most from out of town. Many visitors continue to express their admiration and envy of the Gallery.

Work continues to prepare the Grenfell Pool for the season but is being beset by pump problems at the moment. These are being attended to by accredited pump mechanics.

Other improvement work has been carried out to repair the concourse and pursue the leaks. At this stage water loss has been drastically reduced to about half the figure for last year, and investigation is ongoing to reduce this figure even further.

Last week's newspaper article has generated some concern in the community that the pool may not be safe before the season has even started. Council's pool manager is well aware of the safety standards set down by the Department of Health, and residents can be assured that swimmers will not be placed at risk if these standards are not met. This situation did not occur last season and the work in hand should make it highly unlikely it will occur this season.

The pool was anticipated to be opened this week but has had to be temporarily deferred until the pump problems are rectified.

The Mens Shed marks its 10<sup>th</sup> year this weekend with a celebration including the Australian Mens Shed Association and many other Mens Sheds from around the region.

There will also be an opportunity to have a "service" undertaken by trained health personnel. Ring 63431707 to register for the day – you will have a good experience and may learn something important about yourself.

Town planning consultants Booth Associates submitted 3 important reports to Council's October Meeting. Two reports concentrated on the availability of rural residential land, concluding in the end that there is currently sufficient for the Shire's short term needs.

The third report examined agricultural land within the shire with particular attention to the minimum lot size of 400ha. This was an issue which attracted strong opinions from many farmers during the community consultation phase some months ago, with many wanting a smaller size but others supporting the current minimum.

The agricultural land report recommends a reduction in the minimum lot size to 250ha, a figure which is opposed by staff from the former Department of Agriculture.

Council has adopted the three reports and will now forward them to the Department of Planning for concurrence. If agreed, application will then be made to incorporate the 250ha into the Weddin Local Environmental Plan, a process which usually takes several months.

Council is a shareholder in the Southern Phone Company which has just celebrated its 10<sup>th</sup> year of operation. Council received a dividend of over \$11,000 for last year which is triple the previous year, mainly because of an increased number of account holders from this Shire. Clearly the company is proving popular with users.

In September this year Netwaste (a local government alliance) conducted a collection of e-waste. The total collection around the region was double the previous highest. However the interesting statistic for Weddin Shire was that this council area had the third largest collection, behind only Bathurst and Orange.

Unfortunately the total quantity exceeded the anticipated budget and Netwaste has had to apportion a surcharge to cover the extra cost. You can't win them all!

An invitation is currently extended to residents to attend the Councillor Appreciation Dinner on Tuesday 13 November.

Reservations may be made at the Council Chambers.
