Live Life Well Program

Students were very excited to unpack garden supplies as part of the Live Life Well Program.

Left to right (Back): Hugh, Haylee, Bonnie, Dustin and Reuben (Front) Summer

Last Friday afternoon, all school students from Kindergarten to Year 9 enjoyed a PBL Reward, organised by Mrs Robinson. Hot dogs for lunch and an afternoon DVD made a very enjoyable end to the week. The students had definitely earned their reward with our Shed Echidna having eaten all the ants.

Mrs Cuddihy, our TSO (Technical Support Officer), was due to finish her appointment to QCS at the end of this term, as the Department has finalised its commitment to the DER laptops. However, we are fortunate in being able to offer Mrs Cuddihy a one day per week position for the rest of this year. This position is a computer co-ordinator position to assist all staff in computer usage.

I received a lovely handwritten note from the coordinator of the Grenfell Schools' Recitation Day congratulating Mrs Dixon and Mrs Robinson on the students' "exemplary behaviour". The note went on to say that "Students were all well behaved, co-operative and very supportive of one another throughout the day". This is a message that we all love to read!

This Wednesday was to include our school performing two songs at the Forbes Eisteddfod. Unfortunately, due to a number of unexpected incidents, we will not be attending. However, we can start preparing for next year!

Two of our Year 11 students attended the ASPIRE Step UP Program last week, along with Ms Howard. The girls had a very enjoyable 4 days, even though they got back to Forbes at 11.00 pm Friday night. Part of the experience was organising projects in groups and Theresa's group won! One of the highlights for the Quandi visitors to Sydney was an evening performance of The Lion King. Maryanne and Theresa were challenged on these four days; but engaged with the program, other students from different schools and a variety of teachers to achieve some excellent goals – Well Done girls!

And a reminder - All students are expected to:

- attend school every day, unless they are legally excused
- be in class on time and prepared to learn
- maintain a neat appearance and follow the school uniform policy
- behave safely, considerately and responsibly including when travelling to and from school
- follow class rules, speak courteously and cooperate with instructions and learning activities
- treat staff, other students and members of the school community with dignity and respect
- care for property belonging to themselves, the school and others.

Our PBL focus for this week is **"What is Pride and how do I show it?"**
