### Principal's Report – Week 10

#### **An Invitation to the Whole School Assembly**

Our School Assembly will be held this Friday, the last day of school, at 2.30. All are most welcome to attend. I would like to take this opportunity to say a big 'Thank You' to the whole school community for assisting me in my role as Relieving Principal.

**This Term**

We have had a very busy, yet productive Term 3 with a wide variety of extra- curricular activities that have supported the learning and engagement of our students. Student activities have included Musica Viva, Debating, Education Week, Book Week, Life Education Van, Enviro Champions and the Melbourne Cup Visit. The teachers have also, as usual, been involved in a large number of behind the scenes activities – preparing for the new Australian Curriculums in a number of subjects that will be taught next year, buying the resources to be able to teach them, attending staff meetings, learning support meetings, executive meetings, and preparing for all the extra activities that the students have been involved. Another big “Thank You” to all the teachers this term.

**Term 4**

Next term promises to be even busier, with even more engaging activities to look out for! In the first week alone, we will be having two very different visitors to the school. The first visit will be a NetWaste Presentation on issues of recycling as well as composting; while the second visitor will be Senior Constable Joe Camilleri giving a presentation on road safety.

**HAPPY HOLIDAYS**

Please take care, keep safe and enjoy the next two weeks of the holidays. Staff and students both return on Tuesday 7<sup>th</sup> October.

**Contacting the school**

Please contact the school for further information. I am available to meet with parents/ guardians.

Thank you,

Lisa Varjavandi  
Relieving Principal

Departing 8.00 a.m. from the Grenfell HACC Centre. To book your seat please phone: 6343 2388

# Quandialla Centenary Train Rides

As promised, this is the timetable for our train rides. To ensure that you are able to take a ride on this beautifully restored Railmotor book your tickets early. This is an experience not to be missed.

Tickets to ride the Railmotor will be on sale for the very affordable price of Adults \$10 and Children \$2 (primary school age), return.

There are five opportunities to book a seat and rattle over the country side on Saturday and six on Sunday. Look through the timetable and make your choice. Should you pack a small picnic basket for the journey? This is a question that needs considering especially if there is a brief layover at either Caragabal or Bribbaree. Unfortunately you will be unable to leave the train as there are no platforms or loading facilities at either site. You have around 50 minutes to breathe in the fresh air as you rumble through the countryside and take pleasure in the glorious vistas spring has painted for you to enjoy.

Bookings for your adventure can be made by contacting Mrs Sue Priestley either via email or phone. We would encourage enthusiasts to drop in and see Sue at the Quandialla Post Office or book tickets via email [suepcentenary@gmail.com](mailto:suepcentenary@gmail.com). Our committee is working hard to ensure that everyone can take a trip back in time on the Railmotor and that it is easy to board and wheel chair accessible.

On Saturday tickets can be picked up and paid for at the loading site in the Grain Corp rail yards, watch for the signs. **Tickets will not be available at the loading site on Sunday the 5<sup>th</sup> and must be picked up and paid for at the Information Tent near the Post Office.** Tickets will be marked with the time and number of your trip and cannot be transferred to other trips as spare seats can't be guaranteed even though there are 120 seats available on each journey.

**Tickets will be collected from passengers prior to boarding and you are encouraged to be on site 15 to 10 minutes before departure so that the train can leave on time. We want everyone to enjoy their experience and be safe. To do this we need people to stay within designated areas on both days and follow the instructions of workers helping people on and off the train. People are also strongly discouraged, by NSW Rail, from taking shortcuts across the line at any time as this is an active main line.**

Train enthusiasts **may** be able to purchase tickets on Saturday the 4<sup>th</sup> for the trip from Parkes and also for the Home Trip on Sunday afternoon to Cootamundra, further information regarding this will shortly become available. These tickets will be on sale at the following rates – Adults \$25, Children \$15, and families \$75.
