## School Swimming & Water Safety Program

### Principal's Report

*Students are enjoying their swimming lessons at the Quandialla Swimming Pool. Left to right: Tilly, Tayarnah, Adelaide and Scarlett.*

### Swimming

This week saw the start of swimming and we're lucky to have 3 great instructors to teach the students about water safety and improving their swimming skills. Please remember to label the children's clothes so we don't get mixed up.

### Presentation Day

Our 2016 Presentation Day is a little bit up in the air at the moment but will definitely be held on Wednesday 14<sup>th</sup> December. We have been informed that Quandialla will have no electricity on this day, so we are endeavouring to find a

generator for the Memorial Hall to go ahead with the Presentation Day. Further information will follow.

### Dancing

Once again Mel Causer did some dancing and games with the students on Friday. We have really enjoyed having Mel here the past couple of weeks – I'm afraid we might lose her to the silos this week, thanks Mel.

### Responsible Pet Owners

Last Friday we had Kelly and Dozer visit from Responsible Pet Ownership. Kelly spoke to the children about how to treat our dogs and how to act around dogs we don't know. Kelly brought, Dozer, her Pug along with her who was very cute and enjoyed all the attention.

Learning how to handle pets.

### Nativity Play

The children have been practising a Nativity play with Mrs Parker. They will perform the play on December 1 – everyone is most welcome to come along to watch. This Thursday 24<sup>th</sup> November some uni students will be visiting to entertain the children.

### Transition

We are into our 5<sup>th</sup> week of transition, the new Kinders will be staying all day on Thursday. The transition students won't be attending swimming but will stay at school with Mrs Harvey and do some fun activities. There will be an information session on Wednesday 7<sup>th</sup> December from 2pm.
