ISSUE 37 TERM 4 WEEK 8

It's starting to feel a lot like Christmas

Tilly, Reuben, Jessica and Tahmikhah with their 'Reindeer' biscuit creations.

Principal's Report

Welcome home Macey and Kacie! It's great to have you both back in Quandialla.

Swimming has got off to a great start. We are lucky to be able to use the beautiful new facilities in Grenfell, but hopefully the Quandi pool will be back up and running soon. Tomorrow the children will still be able to order their lunch but the canteen will not be opened for recess. Lunches will be ready for when they return from swimming.

Next Monday 4th December Sally Russell will be visiting us once again to wrap up the Enviro Champs program. Sally is going to show our students the presentations from the other schools that participated in the program.

The last week of school is rapidly approaching and we have lots going on. Monday 11th will be a dress rehearsal for Presentation Day and Christmas concert, as well as the Preschool concert and the special visitor. Tuesday will be Quandialla Public School Presentation Day and end of year concert, followed by morning tea back at school. Reports will be handed out after Presentation Day. Wednesday we will have a special farewell day for our year 6 student Brenton. Thursday will be class parties and some movie watching. The last day, Friday, will be a bit of a clean-up day and then it's holidays!

We did have a golf day scheduled for the last Wednesday of school, this will no longer take place as I think the travel in and out to Grenfell over the next 2 weeks will be enough. Hopefully we can organise this day for term 1 next year.
