# We will remember them

## Principal's Report

Last Thursday Lucas, Reuben, Dana and Hugh lead the school in a Remembrance Day ceremony. We were joined by Ken McAlister who told the assembly of the importance of Remembrance Day to Australians and especially this year on the 100<sup>th</sup> anniversary of the end of WW1. Thanks to the students for a wonderful job and thank you very much to Ken McAlister for coming along.

It seems if you want rain schedule School Photos! The photos will go ahead tomorrow, if everyone can come again tomorrow looking as good as they did last week that will be great.

I hope everyone is ready for their big trip to Dubbo Zoo. There has been a small change to times and the bus will now **leave at 6.45am and return at 6pm**. Students need to wear their school uniform and need to bring water, fruit, recess and lunch. As we are on a smaller bus it is suggested students don't bring a bag that is too big. There will be an opportunity for students to buy a snack on the way around the zoo, please do not send any more than \$10 with your child. As there is limited time students won't be going to the souvenir shop. If you haven't already paid for the Excursion please bring the money in prior to Friday.

Kinder Orientation is going wonderfully. We have our 3 new kindies all on deck today and they are enjoying being big school kids.

Intensive Swimming starts in week 7, we've done very well with notes only a couple more to come in.

On 14<sup>th</sup> December, at 10am, all the students that have been learning an instrument with Miss Emily will be putting on a concert. Everyone is welcome to attend.

Our next assembly will be held on Thursday 29<sup>th</sup> November at 2.30. Our last P&C meeting will be held at The Bland Hotel on December 6<sup>th</sup> at 7pm for dinner and Presentation Day will be held on 18<sup>th</sup> December at 9.30am.

### Remembrance Day Poppies

Thank you to Norma Millar (Mrs Millar's Mother in law) for the beautiful hand sewn felt poppies she made and donated to our school for Remembrance Day.

K, 1 – 2 are getting ready for their excursion to the Dubbo Zoo. They hope to see the lions!!

### Melbourne Excursion

On Monday the 22<sup>nd</sup> of October 14 children from Quandialla Public School travelled to Melbourne for an excursion, 6 adults were also included such as Dave. D, Andrew. Y, Bronwyn. M, Marlene. M, Danielle. Mc and Mrs Kathryn Johnson.

We all met at the Cootamundra train station once we had our bags checked we had to wait a while before we all got on a train. Once we got on the train it was a 7 hour wait until we would reach Melbourne. The train had to stop many times before Melbourne.

When we got to Melbourne it was 6:30. It was a 2km walk to our Hostel, so we caught a taxi. We had to unpack or just settle in when we got to our hostel Y.H.A. In my room there was 4 girls and 2 bunk beds to share between us. We had chicken schnitzel for dinner.

We got up the next morning at 6:00am got ready had breakfast at 7:30 then headed to the Melbourne Museum. There was lots of areas like war, animal, old things and dinosaurs and that is just a few examples. After that we had lunch, you had 3 choices cheese and ham, vegemite or just cheese. We all had a look at the shop but I did not buy anything.

Then we all headed to the train station to catch a train to get to the MCG (Melbourne Cricket Ground). Our tour guide was called Jim, he was the best! After the MCG we walked to the park right outside of the MCG and had afternoon tea and also had a little run around.

We all headed back to the train station but there was a bit of drama because Mrs Johnson did not know which side to go on to get on the train but we at least got on a train. Then headed back to the YHA and had some dinner it was delicious, we had some pasta with salad. Then we had a shower brushed our teeth and went to bed.

The next morning we had breakfast and left to go to Artvo. We had to catch a few trams before we got to artvo. Once we got to our destination (Artvo) we had to sign in and pay. Artvo is a place where there are lots of pictures and if you stand in the right spot it looks 3 dimensional. It was so fun! We had lunch I had my mandarin and then we all had a sandwich at subway.

We headed out to sea life it was awesome! There was cute little penguins and lots of fish! We also saw a 4-dimesional movie. My favourite thing was probably the penguins.

After that we went to the Eureka Sky Deck. The tallest building in the southern hemisphere! It has 92 floors. On the top floors there are water tanks to stop the building from swaying. It can also move 30cm in each direction. All of us went in a glass box called The Edge, well most of us went in The Edge. We headed back to the YHA, had dinner and a shower then went to bed.

On Thursday we went to the Queen Victoria Markets, had a little look, bought something, had lunch.

After that we went to the graffiti lane ways, it was quite cool but I'm not really into graffiti. We also only went to one. Then we all went to the edge of Australia at the beach it was so fun! We collected shells or just had a little play in the water, we didn't have much time to play because we had to go back to the hostel for dinner. We arrived back at the YHA had some dinner we had a silent night because it was our last night.

In the morning we got on a taxi and went to the train station caught a train and went back home. I did not go back to Cootamundra I went to wagga because my grandma broke her knee caps!

And that was the Melbourne excursion!
