ISSUE 22 TERM 3 WEEK 2

Celebrating School Tree Day

Principal's Report

We had a very busy day last Friday with Caragabal students joining us to practise for the Forbes Small Schools Choir with Mrs Welsh. The choir is sounding wonderful! A new guitar teacher, James, joined us along with Emily who will still be doing piano and clarinet. James will be taking the whole school for music and this term the students will be preparing for Quandialla's performance at the Forbes Small Schools Creative Arts Showcase to be held at the end of term.

Also on Friday, the students planted some shrubs in the carpark for National Tree Day. Thank you very much to Jan Diprose for organising our plants that were donated by the Weddin Native Nursery.

The lovely rain yesterday gave them a great start to life in Quandialla, hope it continues.

P&C is on again this Thursday 1st August at 3:30pm in the staffroom.

Last term I attended Stronger, Smarter professional learning over 6 days. The Stronger Smarter program was originally developed for indigenous communities but the values and skills advocated by this program are very relevant for all students. The program teaches resilience, connectedness and self-worth. On Monday 5th August all students will participate in Stronger, Smarter activities. They can wear comfortable, casual clothes and need to bring an artefact. The artefact will be something that is important to them such as a photo of family or an item with precious memories. These artefacts will be kept at school for a few weeks, so if it is something

valuable that you would prefer not to be at school, please send in a photo of it.

On Friday 9th August, 6 students will be travelling to Parkes to represent the Forbes Small Schools in the Lachlan PSSA Athletics Carnival. Notes went home last week with details and a permission form to come back to the school.

The Spelling Bee will be held on Monday 5th August at 9am in the 3-6 room. All students will participate in the Spelling Bee and parents are most welcomed to come along and watch. Unfortunately the second round of the Spelling Bee falls on the same day as the Regional Athletics in Dubbo, but we'll cross that bridge when we come to it.

This Friday is Jeans for Genes Day. Students can wear jeans along with their normal sports uniform on top and bring along a gold coin donation.

Tickets are now available for the Forbes Small Schools Creative Arts Showcase to be held on Monday 23rd September at the Forbes Town Hall. Tickets are \$5 per adult and school students are free. All the students will be performing at the Showcase and will have art work on display. Everyone is invited to come along to this evening which will showcase the many talents of the Forbes Small Schools' students.

WEDDIN SHIRE COUNCIL

STRONGER COUNTRY COMMUNITIES FUND (SCCF) ROUND THREE

Round Three of the NSW Government's SCCF is now open and will provide an additional \$100 million for community projects in regional NSW.

In 2019 there will be an increased focus on young people aged 12-24 and a broader scope of eligible projects including programs as well as local infrastructure.

Funding will be allocated to projects that clearly demonstrate community support for projects and align with the program objectives. The funding available for projects in the Weddin Shire is \$766,618.

The Program Guidelines are available with other information and resources on the SCCF website:
www.nsw.gov.au/strongercountrycommunities.

Applications close 5pm Friday 27 September, 2019 with successful projects expected to be announced from January 2020.

The simplest way

... to pack a healthy lunch box

The average school child will eat more than 2,500 lunches during their 13 years at school.

Cancer Council's website healthylunchbox.com.au is a one-stop-shop for everything families need to know about packing a healthy lunch box.

Parents will find information on the five food groups, what constitutes a healthy lunch box, sandwich alternatives, sandwich filling ideas, snack ideas, swaps for unhealthy snack foods, recipes and tips. The website features an [interactive healthy lunch box builder](http://healthylunchbox.com.au) where parents can get their kids involved in planning the lunch box and choosing foods they will eat and enjoy.
