# Ride for Resilience

## *Visit Quandialla*

### Principal's Report

What a fabulous morning we had yesterday with the riders from the Ride for Resilience. These riders were riding from Forbes to Mangoplah to raise money for the Activefarmers, they had raised over \$100 thousand which is a huge effort for 36 people. Thanks to our P&C for providing a lovely morning tea for the riders.

On Thursday all students will travel to Forbes to practise for the Forbes Small Schools Showcase.

The bus will leave the school at 8.50, we will wait for those that catch the little bus to arrive and then head out. We are aiming to be back at school by 3.10pm, but will keep parents informed via the messenger group if we will be later than this. Students need to pack recess, lunch and water and need to wear their school uniform.

Bland Sports is being held in Bribbaree on Friday. Parents are to transport their children to Bribbaree. Students need to wear navy shorts and our school sports shirts will be handed out as

they arrive – if you still have a shirt at home please bring it on Friday. Please aim to be at Bribbaree by 8.50 so we can get organised for the marching.

We're getting very excited about the Forbes Small Schools Creative Arts Showcase, which is on next Monday 23<sup>rd</sup> September in the Forbes Town Hall. Students have been asked to get to the Town Hall at 4.45 in preparation for the Showcase commencing at 5.30. Students need to wear smart casual clothes for the evening. It is asked parents bring along a plate to share for supper at intermission and the show is set to finish at approximately 7pm. It's not too late to come into school to get your tickets and everyone is welcome. If you have any questions concerning arrangements for the night please phone the school.

Over the past week we have sent many notes home informing parents of our upcoming events and gaining permission for students to attend. I have been very impressed with the prompt replies and the commitment of parents and students to attend. Returning notes to school early makes it much easier to organise staff, students and transport. Thanks so much to everyone that have returned notes.

Our school has a fabulous bunch of parents that band together to raise money to provide great opportunities for our students. Here's some of the things the P.&C. have contributed to so far this year; students travelling to Forbes by bus for the Showcase rehearsal, accommodation for 3-6 touch football players in Dubbo, accommodation for relay swimmers in Sydney, accommodation for School Spectacular in Sydney and school resources. Washing up, carrying plates, making food or doing canteen all contributes to raising funds to help our students. I encourage all parents to come along and help out to lighten the load.
