ISSUE 33 TERM 4 WEEK 7

Filming at QPS for a News & Talk Show

Year 3-6 students are having fun using STEM equipment to make a film about Quandialla.

Principal's Report

The weather is looking very hot for the start of our swimming next week. Intensive Swimming begins on Monday and will continue everyday for 2 weeks. As only a limited number of students are allowed to use the pool change rooms, students will get changed at school and head down to the pool and then return to school to change again. Please be sure your child has a rash shirt or some type of shirt to wear when they are in the water. Putting sunscreen on your child before coming to school would be great and sunscreen will be taken to the pool for the children to reapply.

This Thursday years 4-6 are heading to Caragabal for a puberty talk with Jen Shady a Women's Health Nurse from Cowra. They will be leaving the

school at 11:30, travelling by Priestley's bus and returning back to school by bus time. Students need to take lunch that can be eaten on the bus, nothing too messy. They will also need a water bottle and they will take their school hat.

Early this year the Department of Education was asking parents to keep students home if they were sick and in particular if they had any signs of a cold. Thank you, all families, at Quandialla Public School who listened to this request and have kept children home when unwell. Now with lifting restrictions, the department are easing their stance on this. Parents are still encouraged to keep sick children home, of course, but we don't need to be as cautious anymore. Please be sure your child comes to school every day, unless they are not

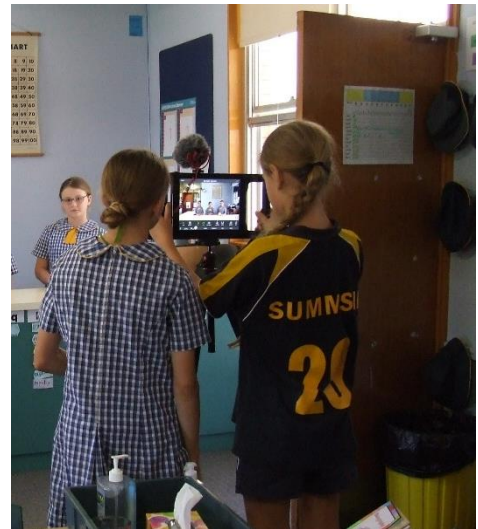

well enough to. If your child has an absent day, parents need to notify the school asap. If your child is away sick for 3 or more days they will need a doctor's certificate.

A reminder that if your child suffers from asthma or an allergy the school needs to have an updated plan from your doctor each year. Please take the opportunity over the holidays to get your child's asthma or allergy plan updated.
