Principal's Report

With only 25 days till Santa arrives, the end of the school year is upon us!!

Our Presentation Day will be held on Tuesday 14th December starting at 9:30am. Something a little different this year the ceremony will be held outside (weather permitting). We will find a nice shady spot; you are welcome to bring a picnic blanket or a comfy folding chair. The school will also provide chairs for those who need. Unfortunately, this year we will be limiting our audience to 2 adults per family. Both these adults must be vaccinated and present their proof of vaccination upon arrival. Like last year, we are not able to have our morning tea. Fingers crossed things are back to normal next year.

The year 6 farewell will also be held on Tuesday 14th December and will be similar to last year with the students coming at 5pm to enjoy some fun activities and a sausage sizzle. Parents are invited to join us at 7pm for the cutting of the cake. The night will conclude at 7:30.

Class parties will be held on Wednesday 15th December at the pool.

Students last day of school is on Thursday 16th December.

There will be no swimming this Friday December 3rd, this day will be made up on Monday 13th December.

This Thursday a P&C meeting will be held at school at 3:30. We will be discussing the staff and P&C Christmas get together, staffing for 2022 and the canteen.

Next Wednesday, 8th December, we'll be having school photos. Sarah Ryan will be taking them again this year and is hoping to get them back by presentation day.

Is there anyone out there that has an old trailer sitting around they are willing to donate to the school? The only prerequisite is that it has wheels. Mr Johnson has a project in mind for it.

The Precious Peach Tree

**It is summer, the peaches are ripe,
The peaches are golden, a beautiful type.
I picked one off and took a bite,
It was juicy a amazing delight.**

**Now it is Autumn, Autumn is here,
The leaves are now about to disappear.
They are going to fall to the ground,
There are leaves all around.**

**Winter is cold, the frost has come,
The peaches are gone, their season is done.
I looked on the ground and there is the sparkly snow,
It was to much, it was a overflow.**

**The flowers are blossoming, it is spring,
There are long nettles giving out stings.
The peaches are nice, nice and plump,
One fell to the ground and made a big thump.**

**The peaches are ripe again, summer is here,
The peaches are back, they've started to appear.
The tree is growing nice and tall,
The peaches are pink, they are not going to fall.**

Quandialla Public School School Visitor Check-in

A single School Visitor Check-in system for every school across the state commenced on Monday, 18th October, 2021.

The Department of Education has partnered with Service NSW to provide a streamlined, digital school sign-in system for visitors and contractors at every NSW government school.

Benefits of the new system include:

- Accelerating your check-ins to as fast as 20 seconds!
- Linked to NSW Health's COVID-19 contact tracing ensuring every school is compliant with the NSW [COVID-19 mandate](#).
- Giving every school greater access to streamlined NSW Government services.

Who can use School Visitor check-in

- Visitors such as parents and carers, contractors, service providers and volunteers.

Students or visitors under the age of 18 are not required to use School Visitor Check-in.

School Visitor Check-in will be ready from 18 October at all NSW Government schools.

For more information visit School Visitor Check-in on the Department website.

**All visitors and
Contractors are
required to
check-in at the
front office
at all times.**

REVIEW OF WASTE SERVICES IN VILLAGES

Council has identified an opportunity to provide a kerb side waste collection service to the villages of Caragabal, Quandialla and Bimbi, along with an expansion of the service currently provided to the village of Greenethorpe.

It is proposed to provide a general waste and recycling kerb side pick-up service to the villages of Caragabal, Quandialla, Bimbi and Greenethorpe. This service would be an alternating weekly service, meaning a general waste pickup one week and then a recycling pick up the following week.

An annual village waste charge of \$350.00 per year per service is proposed which will include both general waste and recycling. This charge has been calculated so as to not exceed the reasonable costs to Council for providing the proposed service. A 240L general waste bin and a 240L recycling bin would be provided as part of each service where required at no cost.

It is important to note that in accordance with the Local Government Act 1993, all properties containing a dwelling within the proposed service areas would be subject to the new service and therefore be required to pay the annual waste charge, regardless of whether the service is utilised or not.

As part of the proposal it is also intended to relocate the bank of recycling bins located within the villages of Caragabal and Quandialla to the respective waste facilities in those locations. This will continue to allow residents located within the rural areas of the villages to have access to recycling facilities. Residents within the villages of Caragabal, Quandialla and Bimbi would also continue to have access to these facilities.

If you wish to make a submission or provide comments in relation to the proposed village waste collection service, you can do so in writing by 24th December 2021.

All submission or comments must be in writing and addressed to The General Manager, Weddin Shire Council, by mail at PO Box 125 Grenfell NSW 2810 or by email at mail@weddin.nsw.gov.au.
