Principal's Report

Merry Christmas! This is our last newsletter for 2021. Once again it has been a very different year and once again our students have taken it in their stride and kept on their learning path through the challenges.

Intensive swimming continues for the rest of this week, and we have a make-up swimming lesson on Monday, as we missed last Friday. The students will go swimming again on Wednesday as a part of end of year activities.

School Photos will take place tomorrow, Wednesday 8th December. Please be sure your child is wearing their best summer school uniform.

Tuesday, 14th December is our Presentation Day. A note went home to each family on Friday asking which 2 adults would be coming along to the Presentation Day, please return this note by Friday. Everyone over the age of 16 attending the assembly must be vaccinated and be wearing a mask. Siblings that are not yet school age can attend and are not included in the 2 people per family.

On Tuesday 14th December at 5pm the year 6 farewell will take place. All students are invited to come along at 5 to enjoy some fun activities and a sausage sizzle. Parents are invited to come at 7pm for the cake cutting.

Next Wednesday we'll be holding class parties to celebrate the wonderful year we've had. Students can bring along party food to share with their classmates.

School returns for all students on Tuesday, 1st February, 2022.

Wishing everyone a very Merry Christmas and a safe holiday. Look forward to seeing happy faces back here in 2022!

THE WAVES

By Clem Ryan

Eva was saying her sad goodbye
"I will miss you Eva," he said in reply.
Roberto was leaving for several weeks,
"Are you sure the boat does not have any leaks?"

"Dad why wont you let me come?
It is going to be boring just me and mum."
"I'm sorry darling but you're only ten!
When you're sixteen and only then."

Roberto was on the endless ocean,
The waves were in a tumbling motion.
The murderous waves were crashing down,
Tossing the boat all around.

Finally then the boat did flip,
He was clinging so tight but he was scared he would slip.
His life was flashing before his eyes,
He was scared this would be the day he dies.

A short while after the boat was capsized,
A rescue boat came he was so surprised.
He climbed aboard and headed home,
Back to his daughter, waiting in Rome.

Quandialla Public School School Visitor Check-in

A single School Visitor Check-in system for every school across the state commenced on Monday, 18th October, 2021.

The Department of Education has partnered with Service NSW to provide a streamlined, digital school sign-in system for visitors and contractors at every NSW government school.

Benefits of the new system include:

- Accelerating your check-ins to as fast as 20 seconds!
- Linked to NSW Health's COVID-19 contact tracing ensuring every school is compliant with the NSW [COVID-19 mandate](#).
- Giving every school greater access to streamlined NSW Government services.

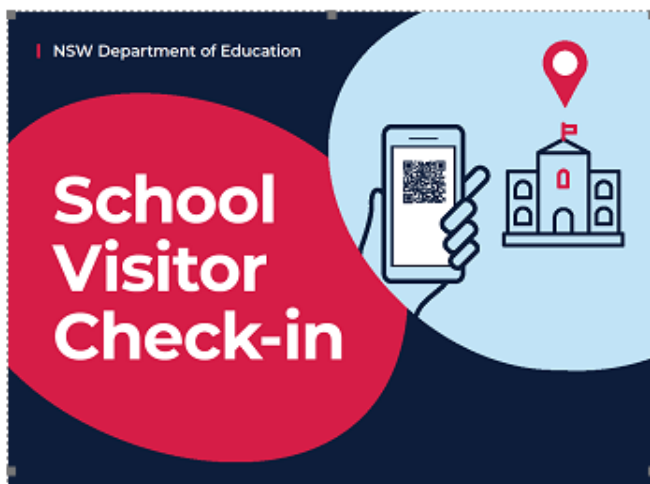

Who can use School Visitor check-in

- Visitors such as parents and carers, contractors, service providers and volunteers.

Students or visitors under the age of 18 are not required to use School Visitor Check-in.

School Visitor Check-in will be ready from 18 October at all NSW Government schools.

For more information visit School Visitor Check-in on the Department website.

All visitors and
Contractors are
required to
check-in at the
front office
at all times.

REVIEW OF WASTE SERVICES IN VILLAGES

Council has identified an opportunity to provide a kerb side waste collection service to the villages of Caragabal, Quandialla and Bimbi, along with an expansion of the service currently provided to the village of Greenethorpe.

It is proposed to provide a general waste and recycling kerb side pick-up service to the villages of Caragabal, Quandialla, Bimbi and Greenethorpe. This service would be an alternating weekly service, meaning a general waste pickup one week and then a recycling pick up the following week.

An annual village waste charge of \$350.00 per year per service is proposed which will include both general waste and recycling. This charge has been calculated so as to not exceed the reasonable costs to Council for providing the proposed service. A 240L general waste bin and a 240L recycling bin would be provided as part of each service where required at no cost.

It is important to note that in accordance with the Local Government Act 1993, all properties containing a dwelling within the proposed service areas would be subject to the new service and therefore be required to pay the annual waste charge, regardless of whether the service is utilised or not.

As part of the proposal it is also intended to relocate the bank of recycling bins located within the villages of Caragabal and Quandialla to the respective waste facilities in those locations. This will continue to allow residents located within the rural areas of the villages to have access to recycling facilities. Residents within the villages of Caragabal, Quandialla and Bimbi would also continue to have access to these facilities.

If you wish to make a submission or provide comments in relation to the proposed village waste collection service, you can do so in writing by 24th December 2021.

All submission or comments must be in writing and addressed to The General Manager, Weddin Shire Council, by mail at PO Box 125 Grenfell NSW 2810 or by email at mail@weddin.nsw.gov.au.
