Lachlan PSSA Athletics Carnival

ISSUE 22 TERM 3 WEEK 5

Parkes – Friday, 12th August, 2022

Left to right: Heidi, Sienna, Michael, Serenity, Macey, Adelaide and Mr Pudya

Principal's Report:

Amazingly we are up to week 5 already!! Mr Pudya has set up a competition to encourage students from leaving their belongings laying around. If students leave anything behind in the playground they are out, the last person left in will get a special lunch at the end of the term. Students are working hard to stay in the competition.

Congratulations to Macey, Michael, Heidi, Adelaide, Sienna and Serenity on your great efforts and wonderful behaviour at the Lachlan PSSA athletics carnival last Friday. Our P6 relay

team and Adelaide, with discus, have made it onto the next level at Dubbo.

On Thursday 25th August we will hold our Book Week activities. This will start with a parade at 12:45 followed by a sausage sizzle at 1pm. After the sausage sizzle, the book fair will be opened.

Thanks to Tamara Lang for donating some stylus to the K-2 classroom. These are great to use on the iPads for lots of different activities.

If anyone has anything they'd like to donate to the P&C raffle please get in touch with the school.

At the start of last term, we introduced a new spelling program called Sound Waves. This program is phonics based using a textbook and online activities. Since the introduction of the new program students have shown some great improvement in spelling.

Kate Johnson - Principal

How's your Bookweek Character coming along??

Need a little inspiration from the past

Wattle Walk

with special guest presenter Prof. Mark Adams

10am - 3pm

"Rosemont", Holy Camp Rd, Grenfell

Come for a wander amongst the wattles to identify a range of local flowering wattles and learn about their unique role in the environment, the valuable production benefits gained by planting wattles and their importance for wildlife.

Prof. Mark Adams from Swinburne University of Technology will speak on his ground-breaking research about the ability of Acacias to increase their carbon capture efficiencies and contribute to rainfall, which has major implications for climate modelling.

There will also be some wattleseed inspired culinary delights and a free wattle for each participant!

Morning tea and lunch provided. Please BYO chair and water bottle.

Bookings required. Contact Melanie on 0417 963 475
