ISSUE 26 TERM 3 WEEK 9

### Principal's Report:

A huge thankyou to Mrs Gault and Mrs Millar for the very yummy bacon and egg rolls we enjoyed this morning, while wearing our flannies in memory of Pauly. Paul enjoyed cooking bacon and eggs for the students around this time of year.

Last Friday students came dressed in red to raise money for Ronald McDonald House. Our students raised \$40, well done!

On Friday 2nd September the students and staff travelled to Bribbaree for a BBQ lunch and some gymnastics. Thanks so much to Bribbaree for sharing this lovely day in memory of Pauly with us.

Thanks also to Wayne Holz for the use of his bus and thankyou to Tom Priestly for driving, both these services were free of charge.

We have once again had to postpone the Bland Sports, that were to be held on Friday 23rd September. Our oval is still too wet, and more rain is expected later this week. When a new date is set the details will go home in a note. It will be set for early next term.

Due to the public holiday now on Thursday 22nd September our STEM Day at Eugowra has been postponed to next term. When we have a date, new details will be sent out.

Last week a note went home about the term 4 excursion to the South Coast. The cost of \$300 is not a firm amount it is just the most that will need to be paid. I am hoping to reduce this cost through fundraising and donations. I was a little disappointed to have students complaining to me about the price and timing of the excursion. This is the only time we could fit the excursion in, and parents are more than welcome to discuss the price with the school and begin paying off the excursion now.

We have a kind invitation to the Naidoc celebrations in Taylor Park on Friday. The children will experience bush tucker, Aboriginal culture, a smoking ceremony and arts and crafts. Please return the permission note sent home last week for this excursion.
