Relieving Principal's Report

Stanno!

We are without Miss Stanbridge for the remainder of the week as she heads off down the coast for her wedding. We hope you have the most wonderful day. And wish her and Dean all the best on their big day. Miss Stanbridge will be

coming back to QPS on Tuesday next week as Mrs Heffernan. But to avoid any confusion, she will continue to go by Miss Stanbridge for the remainder of the year. In her absence, Ms Bradley will be teaching the K1 class.

Road Safety

A number of our staff have had to speak to students regarding unsafe practices when traveling to and from school. We have also had phone calls from community members regarding students riding bikes in an unsafe manner in the middle of the road. We will be conducting some extra road safety education but we ask that parents please reinforce the issue of road safety for students who walk and ride to school.

If students are not confident riding bikes, we advise that they do not ride to school unsupervised. We are also required by law to hold bikes on school grounds if students do not have an appropriate helmet to wear.

Day for Daniel

Last week we wore red for Day for Daniel. The Daniel Morcombe Foundation aims to prevent abuse and promote lifelong health and wellbeing among children and young people. Our students, along with the pre-school raised \$60.00. Well done everyone for donating and helping to raise awareness about stranger danger.

Impetigo (School Sores)

We have had cases of impetigo (also known as school sores) within our school. Please keep an eye out for any sores, rashes or itchiness. Please keep students home and seek medical treatment if they present with any of these symptoms as it is highly contagious. Please see attached fact sheet for further information.

Kind regards,
Brady Pudya

LOCAL HEALTH ADVISORY COMMITTEE

a voice for health in your community

LHAC members are volunteers who have an exciting role in shaping the future of health care in your community.

LHAC members are great advocates. They listen and get involved in discussion around what's important for local people and their health and provide feedback to Murrumbidgee Local Health District and Murrumbidgee Primary Health Network around what matters most.
