Relieving Principal's Report

FSS Athletics

Well done to all our students, families and staff who braved the cold and wet weather on Monday. While it wasn't the most pleasant day, it was wonderful to see our students having a good time and trying their hardest.

We met online on Tuesday for presentation. QPS finished the day in 4th place. **Congratulations** to Cooper for taking out 7 years boys champion and Macey for earning herself 11 years girls champion.

Well done to Kate and Macey who are off to Parkes to represent our school at the Lachlan District Carnival (with a possibility of 2 more students to form a P6 relay team since the event wasn't run on the day).

Do it for Dolly Day

Our 'Do it for Dolly Day' sausage sizzle raised \$175 for the Dolly Foundation. More importantly we spread kindness and raised awareness about the effects of bullying. Thanks to our small school buddies for participating and to Mr Broomby for Manning the BBQ.

Book Fair & Biggest Morning Tea

Our Biggest Morning Tea last Thursday raised \$360.00. Thank you to everyone who came in. Thanks Mrs Dixon, Ms Bradley and Mrs Gault for your efforts.

Our Book Fair was also a great success, with some wonderful books going home with students. With each purchase our school also earns credit which we use to purchase new books for our library. Thanks Mrs Dixon for running our Book Fair.

Friday Small Schools Rotation

We're back at QPS this Friday, hosting Bribbaree and Caragabal for some sport and our elective program. Canteen will be running on the QPS Fridays!

I am hearing wonderful things from our students about our Friday activities and the friendships they are forming.

Play Day at Grenfell Public School

Our students are off to Grenfell Public School for Henry Lawson Festival Play Day. Parents are most welcome to come and watch.

We ask that students please come to school as normal so they can travel on the school bus. This way we can ensure everyone is prepared for our play.

Kind regards,
Brady Pudya,
Relieving Principal

Rural and regional school travel

Apply online for free school travel in rural and regional NSW. You only need to complete one form, even for journeys using more than one operator.

Who can apply?

To be eligible for free school travel, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There is no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

Who needs to apply

You only need to apply if the student has never been approved for free school travel before. Students in a shared parental responsibility situation (e.g. joint custody) should submit a separate application for both addresses.

How to update your details

You need to update student details online if the student is changing their name, address, school or campus, or their Transport operator. You can update them at transportnsw.info/ssts-update

Frequently asked questions

Does the approved free travel include travel outside school hours?

Approved free school travel is only for travel to and from school. So for travel after hours, on weekends or during school holidays, students will need to buy a ticket.

What if there's no public transport in my area?

In areas where there is no public transport, you may be able to get a subsidy for driving the student to school. For details, visit transportnsw.info/school-students

How do I apply if the student needs to travel from two addresses because the parents live separately?

Each parent (or the student if aged 16 or over) needs to apply separately for each address. The same minimum distances apply.

How to apply for free travel for the first time

You can apply for free school travel for next year from the start of Term 4 this year.

Step 1

Once you have enrolled your child at the new school, apply online by giving your home address and telling us which bus company the student needs to travel with between home and school. You can apply online at transportnsw.info/school-students

Step 2

The school then confirms to us that your details are correct.

Step 3

We will then work on your application. You will get an email confirming if the student is approved for free travel. If so, we will tell your local bus company who may send a school travel pass (if needed) to your school or, in some cases, the bus company will contact you directly about travel arrangements.

A parent or guardian must apply for students aged 15 years and under. Students who are 16 years and over must apply for themselves.
