ISSUE 28 TERM 3 WEEK 7

Healthy Harold

pays a visit to QPS

Life Education helps children to:

- Connect the choices they make with short and long-term consequences.
- Value their safety and health.
- Develop positive attitudes for safer and healthier choices.
- Build confidence and skills to manage peer and community pressure.

(Information taken from the Life Education org. webpage)

Principal's Report

As many of you know, last week my Mum was involved in a car accident and her legs were hurt quite badly. She has been operated on and is recovering well in Canberra hospital. This has caused a bit of a disruption and I have been out of the school for a few days. Thanks to everyone who has asked after her and sent their best wishes.

Congratulations to the P&C for the fantastic Music Trivia Night they held on Saturday night, \$1400 was raised for the excursion and it was a great night. Fundraising chocolates need to be back at school next Wednesday 12th September.

Healthy Harold and Rae are here today in the Life Education Van, the students all love visiting the van and it is a valuable resource to help students learn about making good decisions around their wellbeing.

On Monday 17th September, years 5 & 6 will go to The Henry Lawson High School for a STEM Day. More information and a permission note will go home next week.

Kate Johnson – Principal

SCHOOL INFORMATIONCanteen operates each **Wednesday**.**CANTEEN ROSTER – TERM 1 - 2018**
